A membership development initiative by IEEE PES Kerala Chapter

10 OCT - 28 NOV

About IEEE PES Kerala Chapter

IEEE PES Kerala Chapter was founded in the year 1999, with a membership of 12 & now it is the largest chapter in the world with 4000+ members which includes students, young professionals and senior members. Our mission is to be the leading provider of scientific and engineering information on electric power and energy for the betterment of society, and the preferred professional development source for our members. The scope of the society embraces research, development, planning, design, construction, maintenance, installation and operation of equipment, structures, materials and power systems for the safe, sustainable, economic and reliable conversion, generation, transmission, distribution, storage, and usage of electric energy, including its measurement and control.

What is LEAP ?

- » LEAP - Live Learn Lead is a membership development initiative by IEEE PES Kerala Chapter.
- » All the registered PES SBCs will work together and coordinate together for conducting programs.
- » The activities will primarily focus on the member's technical, educational and leadership skill development.
- » Activities that benefit all PES members of IEEE PES Kerala Chapter. Thereby renewing their membership and keeping the retention rate.

Outcomes of LEAP

- » Building better relations among PES SBCs and IEEE PES Kerala Chapter.
- » Activate all PES SBCs and to create more collaborated events.
- » Create more volunteers and thereby enhance their leadership quality.
- » All the PES members are aware of the benefits and opportunities of IEEE PES.
- » PES members are getting updated with current techniques and development of soft skills.
- » All PES SBC can improve their chances for HPSBCP funding.
- » Impact oriented programs.
- » Membership Development and retention growth.

(The form should be filled by the IEEE PES SBC Chairs)

LEAP

General Structure

Clusters

- » All the registered PES SBCs will be categorized into clusters.
- » Each cluster will consist of 3-5 registered PES SBCs.
- » For each cluster a student leadership team member of IEEE PES Kerala Chapter will be assigned as an incharge for guiding and instructing the respective cluster.
- » Each cluster can conduct programs and activities with coordination and involvement of all the PES SBCs in the cluster.

Common Events

- » IEEE PES Kerala chapter will conduct some programs as a part of LEAP - Live Learn Lead.
- » Event outlines are as follows:
 1. Session on 'How PES helps B.Tech final years ?'
 2. Skill development sessions
 3. Session on 'Exploring PES'
 4. Virtual Industrial visit

Membership Development Activities

- » Each cluster can conduct programs with the collaboration of all PES SBCs in it.
- » Cluster can collaborate with IEEE PES Kerala Chapter and with PES YP Kerala Team for conducting activities.
- » Ensure members get benefited by the cluster activities and ensure maximum PES members participation for the programs.
- » Finally submit all the events report to IEEE PES Kerala Chapter.
- » All the Clusters are requested to conduct various programs by fulfilling the following track,
 1. Technical track
 2. Leadership & Communication track
 3. Skill Development track
 4. Educational track
 5. Professional track
 6. Social intervention track
- » Cluster can conduct programs in order to fulfill the HPSBCP criterias.

(The detailed guidelines about events conduction including poster guidelines will be shared with clusters.)
